1910

In honor of our rich history and bright future,
we welcome you to 1910, the Club's renamed and
reclaimed restaurant. 1910 celebrates the present and
the future with Northwest fresh plates, shared plates
and rotating specials in a casually elegant,
classically cool setting

In 1910 the historic Kirtland Cutter-designed
Clubhouse on Riverside was completed.
Built from the ashes of the Great Fire of 1889, the
Spokane Club outgrew two previous locations before
finding its forever home on the corner of Riverside
and Monroe.

1910 is your place to grab a bite, catch up with old
friends, meet new ones and celebrate
all the good there is in life.

Cheers to roots and wings!
